<p><b>GREEN LOVE bleacher</b> The eco-friendly Green love bleacher based on active oxygen with ginger and bamboo extracts is designed for removing spots and bleaching white and colored laundry made of all types of fabrics (except natural silk and wool). The eco-friendly product perfectly copes with yellowness and refreshes brightness of colored fabrics. It is completely rinsed off the fabric fibers and increases efficiency of laundry detergents. Suitable for washing machines. Free of chlorine, parabens, phosphates, SLS and dyes. Biodegradable ingredients. There are no microplastics in its formulation, due to which environmental impact is reduced. It does not harm septic tanks. The eco-friendly bleacher has delicate light aroma of green bamboo and does not cause allergic reactions (conclusion of the Pasteur Institute).</p>	1350	6	22420	18	4602984020379
<p><b>GREEN LOVE tablets for dishwashers All in One</b> Based on mineral and organic ingredients. Free of phosphates, fragrances and dyes. The product removes grease and protein impurities as well as tea, coffee, fruits and vegetables scale. The detergent protects the internal elements of a dishwasher from formation of limescale and deposit. It does not require the use of additional agents.</p>	540	14	22236	36	4602984020294
<b>GREEN LOVE baby laundry gel</b>					
<p>The eco-friendly laundry gel Green love is designed for washing white and colored children's laundry. The liquid product retains color saturation, does not damage fabric fibers and is perfectly rinsed off. Ecogel has a mild effect on skin of the hands. Free of chlorine, parabens, phosphates, SLS and dyes. Biodegradable ingredients. There are no microplastics in its formulation, due to which environmental impact is reduced. It does not harm septic tanks. The eco-friendly detergent is hypoallergenic in case of contact with skin (confirmed by the Pasteur Institute) and suitable for daily use from the first days of life. It is suitable for machine and hand washing at the temperature of 30 – 60 C. The product has an international certificate "Vitality Leaf".</p>	1350	6	22419	24	4602984020355
<b>GREEN LOVE softener for children's laundry</b>					
<p>The eco-friendly laundry softener Green love is designed for washing and treatment of white and colored children's underwear and clothes. It is safe for cotton, wool, viscose and synthetics. The eco-friendly softener gives softness and freshness to laundry and facilitates the process of ironing. Ecological product has a safe effect on the fabric fibers. Free of chlorine, parabens, phosphates, SLS and dyes. Biodegradable ingredients. There are no microplastics in its formulation, due to which environmental impact is reduced. It does not harm septic tanks. The eco-friendly detergent is hypoallergenic in case of contact with skin (confirmed by the Pasteur Institute) and suitable for daily use from the first days of life. The product has an international certificate "Vitality Leaf".</p>	1000	8	22427	24	4602984020362
<b>GREEN LOVE detergent for washing children's dishes and accessories</b>					
<p>The eco-friendly detergent "Green love" for washing children's dishes effectively cleans and degreases, eliminates odors. Suitable for washing vegetables, fruits and children's toys. It perfectly removes grease in cold water, being completely washed off surfaces of dishes. It gives shining luster and makes no streaks on dishes. Ecological gel does not contain phosphates, parabens, SLS and dyes. Biodegradable ingredients. There are no microplastics in its formulation, due to which environmental impact is reduced. It does not harm septic tanks. The eco-friendly detergent for washing children's dishes is hypoallergenic in case of contact with skin (confirmed by the Pasteur Institute) and suitable for daily use from the first days of life. The product has an international certificate "Vitality Leaf".</p>	500	12	22417	36	4602984020447
<b>GREEN LOVE liquid soap for children</b>					
<p>Eco-friendly liquid soap for children Green love contains a complex of moisturizing ingredients that delicately clean baby's skin and easily wash off. The product carefully cares for the skin of babies, not drying it. The eco-friendly soap for children is hypoallergenic in case of contact with skin (confirmed by the Pasteur Institute) and suitable for daily use and care from the first days of life. The eco-friendly product has gel structure, does not contain phosphates, parabens, SLS and dyes. Biodegradable ingredients. There are no microplastics in its formulation, due to which environmental impact is reduced. It does not harm septic tanks. The product has an international certificate "Vitality Leaf".</p>	500	12	22416	24	4602984020287
