ANTI-POLLUTION SERIES

SOELL BIOPROVINCE® VITAMIN-IMMUNE SERIES
natural immune protection for sensitive skin.

BIOPROVINCE

**THERE ARE UP TO 50 DIFFERENT
NEGATIVE FACTORS WHICH AFFECT
THE SKIN OF A MODERN WOMAN:**

Stress, UV radiation, indoor pollution, allergens and pathogenic microorganisms. A woman spends most of her time indoors, where her skin suffers from dust, mold, air conditioners, household chemicals, tobacco smoke, heavy metals and particulate matter (PM).

**THAT IS WHAT HAPPENS
TO THE SKIN INDOORS:**

- dryness and tightness
- redness and itching
- inflammation and acne
- signs of age-related skin changes

ANTI-POLLUTION SERIES EFFECT:

- saturation with vitamins and antioxidants
- strengthening protective barrier of the skin
- regulation of the sebaceous glands
- restoring skin humidity level
- deep nutrition

BIOPROVINCE

PERFECT BASIC SKIN CARE NOVELTY

- Gently removes surface dirt and decorative cosmetics residues
- Gently removes dead skin cells and smoothes its structure
- Moisturizes, nourishes, renews
- Keeps out of skin micro-damage, irritation and discomfort
- Hypoallergenic

EOSIDIN™ = the trademark of Clariant (Switzerland)

FORMULA OF UNIQUE ACTIVE INGREDIENTS:

Functional active ingredients + Natural Oils + Enzymes
+ AHA-acids + Natural extracts + Natural exfoliants

APPLICATION METHOD:

No. 1 EXPRESS CARE

Apply a thin layer of the gommage scrub on dry and pre-cleansed skin of the face, neck and decollete area.

Spread the product with circular massage movements, avoiding the area of lips and eyes.

Rinse with water in 3-5 minutes.

Suitable for daily use.

No. 2 DEEP ACTION

Apply the gommage scrub and spread a thin layer on dry and pre-cleansed skin of the face, neck and decollete area, avoiding lips and eyes.

Remove the product with rolling movements towards massage lines in 5-8 minutes. To avoid stretching the skin, hold it with your hand.

Remove residues of the gommage with water or tonic. Apply 2-3 times a week.

Store at the temperature of + 5 °C to + 25 °C out of reach of children, in the place protected from direct sunlight.

SHELF LIFE: 24 months.

**AMPOULE SERUM
FOR FACE, NECK AND DECOLLATE**

The serum is suitable for daily deep and gentle skin care of the face, neck and decollate. The unique formulation with enhanced concentration of active ingredients moisturizes intensely and refreshes effectively, normalizes hydrobalance, preserves and restores elasticity of the skin. It is quickly absorbed and does not leave sticky feeling.

Regular use increases skin's immunity and resistance to aggressive environmental factors and digital aging.

- 0% of parabens, mineral oils, alcohol, artificial
- Hypoallergenic
- Working formula of active ingredients

EOSIDIN™ = the trademark of Clariant (Switzerland)

APPLICATION METHOD:

Apply small amount of the serum on clean, moist skin of the face, neck and decollate area with a cosmetic spoon. Evenly spread a thin layer of the product with light movements along massage lines, avoiding the eye contour area. Leave until it is absorbed completely.

For daily use in the morning and evening.

Store at the temperature of + 5 ° C to + 25 ° C out of reach of children, in the place protected from direct sunlight.

LIQUID PATCHES

The patches are suitable for daily deep and gentle care of the delicate skin around the eyes.

They intensively nourish and smooth out fine wrinkles, making the skin denser, firmer, more elastic and tightened. They are quickly absorbed and do not leave sticky feeling.

Regular use increases skin's immunity and resistance to aggressive environmental factors and digital aging.

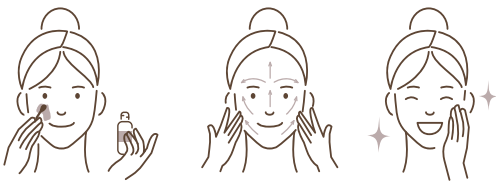

- 0% of parabens, mineral oils, alcohol, artificial dyes
- Hypoallergenic
- Working formula of active ingredients

EOSIDIN™ = the trademark of Clariant (Switzerland)

APPLICATION METHOD:

Apply small amount of the product (1-2 taps) on clean, dry skin around the eyes. Evenly spread the gel from the outer eye corner to the inner, avoiding contour of the eyes. Leave until it is completely absorbed or rinse with water in 10-15 minutes.

For daily use in the morning and evening.

Store at the temperature of + 5 ° C to + 25 ° C out of reach of children, in the place protected from direct sunlight.
